

## Weatherby relocates corporate headquarters.(Industry news)

From: [Shooting Industry](#) Date: [November 1, 2006](#)

Weatherby moved its corporate headquarters from Atascadero, Calif., to Paso Robles, Calif., in September. The new, single-building headquarters covers 38,000 square feet, which is more spacious than the previous headquarters the company had occupied since 1994.

The new facility includes a showroom, featuring historically significant firearms, accessories and memorabilia, plus current Weatherby products. A planned state-of-the-art firing range will provide proofing, testing and evaluation of firearms.

"Over the past 12 years, we have dramatically outgrown our existing space in Atascadero," said Ed Weatherby, company president. "We are excited to be in an expanded, modern facility that will better serve our employees and our customers."

Weatherby's new address is 1605 Commerce Way, Paso Robles, CA 93446. The new direct phone number is (805) 227-2600; fax: (805) 237-0247. The company's toll-free 800 phone numbers for dealers, distributors and vendors remain unchanged.
